

ROLE CARD

The MAP MAKER will:

- Draw a symbol on the map for each vote that results in a new energy source.
- Report and point out the locations where energy sources were placed at the end of the game.

The SCOREKEEPER will:

- Keep track of the energy, environment and economy points by moving the markers up and down the scales.
- Make sure the group does not go bankrupt, have a blackout, and does not destroy the environment beyond repair.

ROLE CARD

Each team member can play one (or more than one if the team has fewer than 4 players) of the following roles:

The FACILITATOR will:

- Play the role of “chair,” ensuring that everyone is treated fairly and with respect.
- Make sure everyone participates and does his/her job.
- Conduct the vote and read the status report.
- Lead the group presentation at the game’s end.

The RECORDER will:

- Record each voting issue and the reasons for or against the issue.
- Record the result of the vote on the Record Card.
